

QuizArena Go-To-Market (GTM) Campaign Manual v1.0

PART 01 — Campaign Foundation

Chapter 01 — Campaign Overview

1.1 Purpose

This chapter establishes the strategic foundation for the QuizArena Founding Members Campaign. It defines the campaign identity, objectives, execution scope, ownership, and success criteria. Every future campaign should begin by creating or updating this chapter before content production starts.

1.2 Campaign Information

Item	Standard
Campaign Name	Founding Members Campaign
Product	QuizArena
Product Version	v1.0
Campaign Version	GTM Campaign v1.0
Campaign Duration	01 August – 15 August 2026
Campaign Type	Product Launch
Target Market	Government Exam Aspirants
Campaign Owner	QuizArena Founding Team
Status	Approved for Execution

1.3 Campaign Purpose

The Founding Members Campaign is designed to introduce QuizArena to the public before the official product launch. The campaign focuses on building awareness, establishing trust, and creating an engaged community of early users who will contribute feedback during the initial growth stage.

Rather than maximizing registrations through aggressive promotion, the campaign prioritizes attracting learners who align with the product's long-term vision of disciplined preparation, healthy competition, and continuous improvement.

1.4 Campaign Objectives

Priority	Objective	KPI
High	Introduce QuizArena	Brand Awareness
High	Build Founding Member Community	Registrations
High	Establish Brand Trust	Community Engagement
Medium	Validate Product Positioning	User Feedback
Medium	Prepare for Launch	Launch Participation

1.5 Campaign Principles

Every campaign executed under the QuizArena brand should follow these principles:

- Trust before promotion.
- Education before marketing.
- Community before growth.
- Quality before quantity.
- Long-term relationships before short-term numbers.
- Consistency before experimentation.

These principles should guide every campaign decision, regardless of platform or campaign size.

1.6 Campaign Timeline Template

Phase	Duration	Deliverables
Preparation	25 Jul – 31 Jul	Creative Assets, Website, Testing
Awareness	01 Aug – 10 Aug	Daily Content, Community Growth
Countdown	11 Aug – 14 Aug	Launch Reminders, Feature Highlights
Launch	15 Aug	Product Launch & Quiz Competition

Future campaigns should reuse this timeline structure by replacing dates and deliverables as required.

1.7 Team Responsibility Matrix

Responsibility	Founder	Company Partner	Content Creator
Product Direction	✓		
Campaign Planning	✓	✓	
Content Strategy	✓	✓	✓
Creative Design			✓
Publishing		✓	
Community Management		✓	
Performance Review	✓	✓	

1.8 Campaign Approval Workflow

Every campaign asset should pass through the following workflow:

Planning → Copywriting → Creative Design → Internal Review → Founder Approval → Scheduling → Publishing → Performance Review

No public content should be published without final approval.

1.9 Chapter Checklist

Before moving to the next chapter, confirm:

- ☐ Campaign information completed.
 - ☐ Objectives approved.
 - ☐ Timeline finalized.
 - ☐ Team responsibilities assigned.
 - ☐ KPIs defined.
 - ☐ Approval workflow confirmed.
-

Chapter 02 — Campaign Strategy

2.1 Campaign Philosophy

QuizArena believes that meaningful growth is built through trust, consistency, and community. The first marketing campaign should therefore focus on introducing the product honestly, educating learners about its value, and building long-term relationships rather than generating temporary attention.

2.2 Market Position

Category	Standard
Industry	EdTech
Product Category	Competitive Learning Platform
Market	Government Examination Preparation
Launch Strategy	Community First
Growth Strategy	Organic Growth

2.3 Product Positioning

Official Positioning Statement

QuizArena is a Competitive Learning Platform that helps government exam aspirants practice consistently, compete fairly, and improve through measurable performance insights.

This positioning statement should remain consistent across all campaign materials.

CHAPTER 03 — Brand Communication Standards

3.1 Purpose

This chapter defines the official communication standards for QuizArena. Every public communication produced by founders, company partners, designers, content creators, or future marketing teams must follow the standards defined in this chapter.

The objective is to ensure that QuizArena maintains one consistent identity regardless of platform, campaign, or communication format.

3.2 Official Product Introduction

Standard Version

QuizArena is a Competitive Learning Platform designed for government exam aspirants. It combines structured daily practice, fair competition, and performance analytics to help learners prepare consistently and improve with confidence.

This introduction should be used whenever QuizArena is introduced to a new audience.

3.4 Brand Personality

Every communication should reflect the following personality.

Characteristic	Standard
Professional	Mandatory
Trustworthy	Mandatory
Analytical	Mandatory
Encouraging	Mandatory
Student-Centric	Mandatory
Modern	Preferred
Minimal	Preferred

Avoid making the brand appear overly playful, aggressive, or entertainment-focused.

3.5 Tone of Voice

Communication Type	Tone
Product Introduction	Professional
Educational Content	Helpful
Community Updates	Friendly

Communication Type	Tone
Feature Announcements	Confident
Competition Updates	Motivating

The tone should remain consistent across all platforms.

3.6 Brand Promise

Official Brand Promise

Helping competitive exam aspirants practice consistently, compete fairly, and improve continuously.

This promise should guide all future communication and product messaging.

3.7 Official Taglines

Primary Tagline

Practice Daily. Compete Fairly. Improve Continuously.

Secondary Taglines

Your Competitive Learning Partner.

Learn Better. Perform Better.

Every Quiz Builds Confidence.

Only approved taglines should be used in campaigns.

3.8 Elevator Pitch Library

15-Second Pitch

QuizArena helps government exam aspirants practice daily, compete with others, and track their progress through performance analytics.

30-Second Pitch

QuizArena is a Competitive Learning Platform built for government exam aspirants. It combines quizzes, competitions, leaderboards, and performance insights to help learners prepare consistently and measure their improvement over time.

60-Second Pitch

QuizArena transforms traditional exam preparation into a structured and competitive learning experience. Instead of studying in isolation, learners practice daily, participate in fair competitions, analyze their performance, and continuously improve through data-driven insights. Our goal is to build India's most trusted platform for competitive exam preparation.

3.9 Communication Pillars

Every piece of content should belong to one primary communication pillar.

Pillar	Purpose	Example
Education	Teach learners	Exam tips, GK facts
Product	Explain QuizArena	Features, demos
Community	Build trust	User stories, milestones
Motivation	Encourage learners	Daily preparation quotes
Launch	Campaign updates	Countdown, announcements

Avoid combining multiple pillars within a single piece of content.

- ☐ Official logo is used.
- ☐ Typography follows the Design System.
- ☐ Brand colors are correct.
- ☐ Approved tagline is used.
- ☐ Appropriate CTA is included.
- ☐ Grammar has been reviewed.
- ☐ Mobile preview has been checked.
- ☐ Founder approval has been obtained (if required).

Chapter - 03 Summary

This chapter establishes the official communication standards for QuizArena. By following these guidelines, every piece of communication—from a social media caption to a partnership proposal—will present a consistent brand identity. Maintaining this consistency builds recognition, trust, and professionalism as QuizArena grows beyond its first launch.

CHAPTER 04 — Content Strategy & Production Standards

4.1 Purpose

This chapter defines the official content strategy for QuizArena. It establishes what type of content should be created, why it should be created, and how every content piece contributes to building awareness, trust, community, and product adoption.

Every content creator should plan and produce content using the standards defined in this chapter.

4.2 Content Objectives

Every content published by QuizArena should achieve at least one of the following objectives.

Objective	Purpose
Educate	Help aspirants learn something useful.
Build Trust	Demonstrate the value and credibility of QuizArena.
Introduce the Product	Explain features and benefits clearly.
Build Community	Encourage interaction and participation.
Drive Action	Increase registrations and competition participation.

A single content piece should focus on one primary objective rather than attempting to achieve all objectives simultaneously.

4.3 Content Pillars

The QuizArena content strategy is built around five core pillars.

Pillar	Purpose	Example Content
Educational	Teach and inform learners	Study tips, GK facts, exam strategies
Product	Explain QuizArena	Feature highlights, analytics, leaderboards
Community	Build relationships	User feedback, milestones, announcements
Founder Journey	Build transparency	Product updates, behind-the-scenes content
Campaign	Promote launches and events	Countdown, Founding Members, competitions

Maintaining a balance across these pillars ensures that the audience receives value while gradually becoming familiar with the product.

4.4 Content Formats

The following content formats are approved for the Founding Members Campaign.

Format	Primary Use
Posters	Announcements and awareness
Reels	Reach and engagement
Carousels	Educational storytelling
Stories	Daily reminders and interaction
Shorts	Quick product demonstrations
Blog Articles	Long-form educational content

Every format should follow the official QuizArena Design System and Brand Communication Standards.

4.5 Content Production Workflow

Every content asset should follow the same production workflow to maintain consistency and quality.

Planning → Script Writing → Design → Internal Review → Approval → Publishing → Performance Review

No content should be published without completing each stage of the workflow.

4.6 Weekly Content Planning Template

The following template should be used when planning weekly content.

Day	Content Type	Topic	Platform	Status
Monday				
Tuesday				
Wednesday				
Thursday				
Friday				
Saturday				
Sunday				

This template should be completed before the beginning of each campaign week.

4.7 Content Approval Checklist

Before any content is scheduled or published, confirm the following.

- Content aligns with one approved content pillar.
- Brand message is accurate and consistent.
- Official logo, colors, and typography are used.
- Caption follows the approved communication style.

- A relevant call-to-action is included.
 - Grammar and spelling have been reviewed.
 - Mobile preview has been checked.
 - Final approval has been received.
-

Chapter - 04 Summary

The purpose of this chapter is to standardize the way QuizArena plans and produces content. Rather than creating content randomly, every post should have a defined objective, belong to an approved content pillar, follow a consistent production workflow, and support the overall goals of the campaign. By following these standards, the content team can maintain quality, consistency, and efficiency while building a recognizable and trustworthy brand.

CHAPTER 05 — Creative Asset Standards & Templates

5.1 Purpose

This chapter defines the standard creative assets used by QuizArena during campaigns. It provides approved templates, content structures, naming conventions, and creative briefs to ensure that every visual asset maintains a consistent identity across all marketing channels.

Every creative produced for QuizArena should follow these standards unless a future campaign explicitly defines an exception.

5.2 Approved Creative Library

Creative Asset	Purpose	Priority
Launch Poster	Campaign announcement	High
Feature Poster	Product awareness	High
Competition Poster	Event promotion	High
Countdown Poster	Launch reminder	High
Educational Carousel	Learning content	Medium

Creative Asset	Purpose	Priority
Instagram Reel	Engagement & reach	High
Story Template	Daily updates	High
YouTube Thumbnail	Video branding	Medium
WhatsApp Banner	Community promotion	Medium
Telegram Banner	Community updates	Medium

Every campaign should prepare these assets before the campaign begins.

5.3 Creative Brief Template

Every design request should use the following format.

Field	Description
Creative Name	Internal asset name
Objective	What should this creative achieve?
Target Audience	Who is this for?
Platform	Instagram, WhatsApp, Telegram, LinkedIn, etc.
Headline	Primary message
Supporting Text	Additional information
Call-to-Action	Expected user action
Deadline	Delivery date
Owner	Responsible person

This template eliminates ambiguity and ensures that designers receive complete requirements.

5.4 Standard Content Templates

This structure should be maintained across all future campaigns.

5.7 Creative Quality Checklist

Before submitting any creative, verify the following.

- Official QuizArena logo is used.

- Hanken Grotesk is the only typeface used.
- Brand colors match the Design System.
- Content follows Brand Communication Standards.
- One clear message is communicated.
- Call-to-Action is visible.
- Mobile readability has been verified.
- Grammar and spelling are correct.
- Export dimensions match the target platform.
- Source files and final exports are saved correctly.

5.8 Deliverables Before Campaign Launch

The following assets should be completed before the campaign starts.

Deliverable	Status
Brand Introduction Poster	☐
Founding Members Poster	☐
Product Feature Posters	☐
Launch Countdown Series	☐
Daily Reel Templates	☐
Educational Carousel Templates	☐
Community Story Templates	☐
Website Hero Banner	☐
WhatsApp & Telegram Banners	☐
Launch Day Announcement Creative	☐

Chapter – 05 Summary

This chapter serves as the operational guide for creative production. Rather than creating assets from scratch each time, the content team should use these templates, standards, and workflows as the baseline for every campaign.

Consistent creative execution strengthens brand recognition, reduces production time, and ensures that every public-facing asset reflects the professional identity of QuizArena.
